## Report Regarding the Scientific Research in 2004

### A. Scientific Report

#### I. Faculty Mission:

The Faculty of Psychology and Education Sciences focuses on excellency teaching, by establishing teaching and research standards which equal the level of the most impressive Romanian or foreign faculties in the field. Its mission follows three directions:

- a. Development of training programs- to initiate the future specialists in Psychology, Pedagogy, Psycho-Pedagogy, and the future primary school teachers; to initiate and life-span train psycho-pedagogically graduates from different fields who follow a teaching career; and to life-span train the specialists in psycho-pedagogy.
- b. Development of high level scientific research programs by the corroborated work of the research teams, of the excellence centres; by the usage of technological resources of the faculty; and by capitalization of the partnerships with national and international scientific centres and institutions.
- c. Psychosocial intervention and involvement in finding solutions for community needs by means of structures and logistic resources of the faculty: laboratories, analysis and resource centres, departments.

#### II. Fields of Interest:

1. Social psychology
2. Organizational psychology
3. Psycho-diagnosis and psychometrics
4. Experimental psychology
5. Psychotherapy, counselling and psychological intervention
6. Educational policies
7. Psycho-pedagogical counselling
8. Intercultural education

9. Educational communication
10. Psycho-pedagogy of people with disabilities
11. Research and intervention techniques in social field
12. Institutional analysis
13. Education psychology
14. Human resources management
15. Work psychology
16. Economics psychology
17. History of psychology
18. Differential and personality psychology
19. History of pedagogy
20. Curriculum Theory
21. Creativity psycho-pedagogy
22. Curriculum for primary education.

### III. Resources of the Faculty

#### III.1. Research Centres:

##### RESEARCH CENTRE OF APPLIED PSYCHOLOGY

*1.1. Address:* Str. Toma Cozma, nr. 3, Iași, 6600  
*1.2. Office phone:* 0232 20 10 93, 0230 20 10 92  
*1.3. Fax:* 0232 20 10 93  
*1.4.E-mail:* [aneculau@uaic.ro](mailto:aneculau@uaic.ro); [hcornel@uaic.ro](mailto:hcornel@uaic.ro)

There are three departments of independent and inter-dependant activity in this centre:

**a. Experimental and psycho-diagnosis laboratory of psychology** – scientific research activities in elaborating standard psychological examination methodologies, physiological and psycho- physiological investigations, systems of educational assistance, electronic data basis.

**b. Group dynamics laboratory** – consulting, training, practical intervention, and social research in the following fields: organizational analysis, evaluation and development of the personnel, image, promotion and media creation, development of psychosocial competences (communication, organization and leadership, negotiation, conflict solving, etc.) or of professional ones (innovation and creativity, human resources administration, organizational analysis, etc.)

**c. Psychotherapy laboratory** – psychotherapy, counselling and speech therapy, complex psychological evaluation, programs of counselling and psychotherapy training, and social and psycho-pedagogical assistance, programs of complex personalized intervention.

THE CENTRE OF FUNDAMENTAL AND APPLIED PEDAGOGICAL RESEARCH IN MULTI-REFERENTIAL PERFORMANCE FROM EDUCATIONAL, PROFESSIONAL AND COMMUNITY FIELDS (CPFA)

1.1 .Address: Str. Toma Cozma, nr. 3, Iași, 6600  
1.2. Office phone: 0232 20 10 28, 0230 20 10 29  
1.3. Fax: 0232 21 06 60  
1.4. E-mail: [tcozma@uaic.ro](mailto:tcozma@uaic.ro)

There are three departments of independent and inter-dependant activity in this centre:

**a. Department of educational policies of promoting excellence in professional and community fields-** promotes activities of scientific research in educational policies, professional deontology and psycho-pedagogy circumscribed to excellence and creativity.

**b. Department of intercultural education-** has three major research aims:

- to shape education within an intercultural context (elaborating community educational projects, developing teaching methodologies for a multicultural context); to publish synthesis and fundamental research papers in intercultural pedagogy; to train the future trainers to diminish the conflicts in multicultural environments.

**c. Department of adult education and educational communication-** covers two educational dimensions that deeply need development through applied research: laying out and experimenting an adult education strategy, and making effective the communication in the educational area.

### **III.2. Departaments**

- Psychology Department
- Clinical Psychology and Special Education Department
- Pedagogy Department
- Teachers' Training Department
- Distance Learning Department
- College Department

### **III.3. Human Resources:**

Member Structure of Education and Research Departments

Professors: 9

Readers: 7

Lecturers: 15

Assistants: 13

Research assistant: 4

### **III.4. Logistics Resources:**

- Research Basis with Multiple Users (BCUM) – includes 3 laboratories:
  - Social Field Psychology Laboratory
  - Experimental Psychology and Psycho-diagnosis Laboratory
  - Psychotherapy Laboratory
- Intercultural Education Laboratory
- Educational Policies Laboratory
- Integrated Education Laboratory
- Communication Laboratory
- Regional Centre for Adult Education(RCAE)
- Computer Science Laboratory

### **III.5. Research Directions through Bachelor's and Doctor's Degrees Programs:**

- Human Relations and Communication - 3 semester
- Analysis and Intervention in Groups and Organisations - 3 sem.
- Intercultural Education - 3 sem.
- Adult Education Management (full program) - 3 sem.
- Conflict Mediation - 3 sem.
- Evaluation, Training and Psychological Training of the Personnel – 4 sem.
- Psychosocial Intervention and Psychotherapy - 4 sem.
- Policies and Management in Education (ID) - 4 sem

## **IV. Results Achieved in Scientific Research:**

### **IV.1. List of Scientific Papers Published in Academy Magazines , in ISI Rated Publications or in other Publications of Interest**

#### *IV.1.a. Books/ Monographs/ Volumes*

**Adrian Neculau**, *Adult Education*, Polirom Publishing House, 2004, 218 pag.

**Adrian Neculau**, *Daily Life in Communism* (coordinator and author), Polirom Publishing House, 2004, 367 pages (*Cuvântul Magazine* prize for 2004).

**Adrian Neculau**, *Social Psychology*, (coordinator and author), second edition, Polirom Publishing House, 2004, 350 pages.

**Dorina Sălăvăstru**, *Education Psychology*, Polirom Publishing House, Iași, 2004, 283 pages.

**Ana Constantin**, *Interpersonal Conflict*, Iași, Polirom Publishing House, 302p., 2004
